A handwritten signature in black ink, appearing to read "Jonathan E. Fielding".

SUBJECT: **NOTIFICATION OF THE USE OF DELEGATED AUTHORITY TO ACCEPT A
NO-COST TIME EXTENSION FROM THE REGENTS OF THE UNIVERSITY OF
CALIFORNIA**

This is to notify you that I am exercising delegated authority approved by your Board on December 8, 2009, to accept a no-cost time extension for Agreement Number CR08-LAC-523 from The Regents of the University of California (The Regents) for the period of August 1, 2010 through October 31, 2010.

On June 30, 2010, The Regents approved the Department of Public Health's (DPH) request for a three month no-cost time extension for the above referenced grant which ended on July 31, 2010. The no-cost time extension will provide DPH with additional time to complete project activities through October 31, 2010.

This grant provides funding for the My Life My Style Evaluation Project which evaluates the effectiveness of a Human Immunodeficiency Virus (HIV) prevention intervention project specifically designed to reduce unprotected sex and new HIV infections among the African American men who have sex with men community.

County Counsel and the Chief Executive Office have reviewed and approved the three month no-cost time extension and this delegated authority action.

If you have any questions or require additional information, please let me know.
